

# **2012 CAPPY Polar Bear Dip**

## ***Dip to make a Difference in a Child's life***

Please join us on Sunday, January 1, 2012 at 12 noon at Hutch's on Van Wagner's Beach for the 1st Annual CAPPY Polar Bear Dip!

100% of funds raised will go directly to helping make a difference in a child's life.

Register to be a Dipper and collect pledges for the Community Child Abuse Council of Canada.

Your courage will help to raise awareness and much needed funds for sexually abused children in our community. These kids are the future; let's help to make it a happy and healthy future.
